Sir:

LETTER

Further to the Request for Reconsideration filed on February 3, 2006, Applicants respectfully request reconsideration based solely on the substantive distinctions made in that response. Although there is evidence to suggest that the traversal based upon procedural grounds is justified, based on a likely obligation to assign to the same Ericsson company, Applicants believe that it is unnecessary to rely on that basis of traversal. Accordingly, the Examiner is requested to reconsider and withdraw the rejections based on Dent in view Bender given the substantive distinctions argued in the most recent response.

Respectfully submitted,

NIXON & VANDERHYE P.C.
